When there was a proposal from the Vadugenahalli minor mcl to levy octroi on matches imported into the mcl limits, Govt in their order No L 14317-8/mcl 57-47-31 dt 4-3-1948 ordered that as the excise duty on matches is levied by the Central Govt, the proposal of the mcl to levy octroi which would amount to a second duty on this article does not commend itself to Govt as it is not an article of luxury but one of necessity

In the case of Shimoga & Tumkur, the duty was levied about & on the report of the Western India Match Co's, they were to abolish the same, disputed that the Govt do not propose to interfere with the discretion of the Mcltes concerned in this matter & that the Coy to approach the Mcltes for a consideration their request

Matches are essential articles of Consumption the central Govt is about correcting an Excise duty thereon Subjecting it again to local taxation would hit the Consumer hard however small the rise might be, in view of the prevailing high prices of the essentials of life

10 The recommendation of Shimoga & Tumkur in this connection has been considered. Chickaballapur Mfly is also a big Mfly & a prosperous place. I agree that there should be some uniform policy in regard to taxation. The financial condition of our Municipalities has got to be improved in order to meet the several demands which are mounting day by day. Govt cannot afford to meet all these demands by way of grants at all times. The taxation in our State on the Mflies is very much less when compared to other provinces & the levy of octroi now suggested is not unbearable both all the same it will add to the income of the Mflies. As regards the other Municipalities mentioned above in respect of which the recommendation was turned down, I think these cases also may be reconsidered if a representation is made for reconsideration thereafter & approve of the course in question.

Sir

Subject - Levy of Octroi duty on Matches in Chickballapur Town Municipality

I have the honour to state that the Town Municipal Council Chickballapur at their meeting held on 7-6-43 resolved to levy octroi duty on matches at the rate of anna one per gross imported into the town The President, in pursuance of this resolution published a notification on 8-6-43 under section 62 of the Town Municipalities Act calling for objections to the proposal within one month from the date of publication One objection petition signed by the merchants and residents of Chickballapur Town was received in the President's Office on 30-6-43 The Municipal Council at their meeting held on 7-7-43 considered the objections brought before them regarding the levy of octroi duty on Matches and resolved that the objection raised was baseless and that Government may be moved to accord their sanction to the resolution of the Council dated 7-6-43, to levy the proposed octroi duty The objection petition is also enclosed in the file The objections advanced in the petition are that no octroi duty is levied on matches in the neighbouring municipalities, that excise duty has already been levied on matches and that their trade would suffer as the selling rate of matches in Chickballapur Town will be more than the prices obtaining in the neighbourhood The levy of tax does in no way affect the sellers and that therefore the objections are not valid and I recommend that the resolution of the Council to levy octroi duty on matches at 0-1-0 annas per gross may kindly be sanctioned, as this measure is intended to improve the revenues of the Municipality

Yours faithfully,

Deputy Commissioner,
Kolar District
